NO MONITOR MIX NEEDED.
 Monitors are all controlled and line-checked by the band with their own digital tabled controlled rack mixer. It's programmed for Machinae and is a pain in the ass to share with others, so rather not.

ADDITIONAL INFORMATION

2x **DI-BOXES** (what we need and don't need)
 - Keyboard (1x mono)
 - Bass

GUITARS AND BASS **
 FOH gets the guitar and bass-sound from amp-modellers. No need for any microphones.
 (Connection: **MONO 1/4" jack or XLR**).

MONITOR MIX

MACHINAE has a digital tablet controlled moitor-mix box with a preprogrammed mix for their in-ears. **NO NEED FOR A MONITOR MIX.**

TL&DR: No FOH monitor mix needed for the band!
